IN RE: UNITED CITIES GAS COMPANY	DOCKET NO. TF-99-125 (ECR-96-4)
---	------------------------------------

ORDER APPROVING TARIFF

(Issued May 24, 1999)

On March 1, 1999, United Cities Gas Company (United Cities) filed with the Utilities Board (Board) an application for recovery of energy efficiency costs. The Board approved the application, which included United Cities' revised energy efficiency cost recovery factors, by order issued April 23, 1999, in Docket No. ECR-96-4. United Cities filed proposed tariffs on April 27, 1999, identified as TF-99-125, to implement the revised cost recovery factors.

The Board will approve the proposed tariff. Pursuant to IOWA CODE § 476.6(19) (1999) and IOWA ADMIN. CODE 199-35.12 (1999), a utility is allowed to recover previously-approved costs, deferred past costs, and estimated contemporaneous energy efficiency expenditures through an automatic adjustment mechanism. United Cities' tariff implements the previously-approved revised cost recovery factors that will be used in the automatic adjustment mechanism.

IT IS THEREFORE ORDERED:

Tariff filing TF-99-125 is approved, subject to complaint or investigation,
effective June 1, 1999.
